The Ultimate Play-Along series gives you everything you need to

jam with your favourite songs. There are two versions of every song on the included CDs: an instrumental sound-alike recording, and an instrumental accompaniment track (without the instrument) so you can play along. When you use the CDs in your Mac or Windows-based computer, the TNT ('Tone 'N' Tempo) Changer lets you easily loop sections for practice, slow tracks down or speed them up without changing the pitch, change the key, and switch back and forth between full instrumental and accompaniment tracks.
